The surveying corps is coming this way.

It is traveling at the rate of two miles a day.

Roswell's growth will be even more rapid when track laying begins.

Silver is selling at a higher price than it has for the past two years, so it is not nearly so free as it once was.

The racing program of the fair promises to be one of the most interesting features of the big exposition of Chaves county.

It would be meet and proper for Roswell to have an excellent display at the Territorial Fair which is held at Albuquerque next month.

The Roosevelt administration has already lost its Root. Now look out for the entire tree to sicken and die. When the root is gone the leaves and branches soon wither.

What a quiet time they are having in the east. For three days there has not been wind enough to pull off a boat race. If our eastern friends can't raise a little more wind the yacht races should be transferred to the west, where the wind is more plentiful than water.

By means of the Roswell car thousands of people will hear of the Pecos valley who never heard of it before. It is incumbent on every citizen of the valley who has any fruit or products that will worthily represent the valley to send in at once to the car management samples for display.

The Hon. Jerry Simpson says he always knew Roswell was a good place to live in but now he is thoroughly convinced of it, for to-day two men from Paradise registered at the Shelby hotel. When people leave Paradise to take up their residence in Roswell it proves conclusively that Roswell is a pretty good place.

The Roswell extension of the Santa Fe Central railway must come, and that within twelve months. Chaves and Eddy counties must have direct connection with the central part of this Territory. The exigencies of the situation demand this and the line from Torrance, the terminus of the Santa Fe Central railway to Roswell, will pay as soon as constructed and in operation.—New Mexican.

So say we all.

It is reported that after the second race Sir Thomas Lipton offered Captain Wrings \$50,000 and \$2,500 annually for life,

also promised a bonus of \$500 to every member of the crew if the Shamrock should win the three next races.

Money may be able to make the mare go, but it takes brains as well as lucre to make a yacht that will go with winning swiftness.

The bookbinders' union has filed its charges against William Miller, their expelled member who was reinstated by order of the president. The burden of the charges is that Miller was illegally married twenty-five years ago and, although he has lived happily with his wife ever since, it is claimed that he cannot therefore properly bind books. As Hamlet sayeth, "Treat a man according to his deserts and who would escape hanging," and as Kipling sayeth, "We are all of us liars and half of us thieves and the rest of us as rank as can be."—Albuquerque Journal-Democrat.

New Corporations.

There have been filed in the office of Territorial Secretary J. W. Reynolds, the following articles of incorporation:

The Pecos Valley Cement and Plaster company, incorporated by William N. Baldwin, Alexander A. Ririe and Walter M. Daugherty. The capital stock is \$650,000 and the shares are \$1 each. The principal place of business is at Roswell and the objects of the corporation are to engage in the mining and manufacturing of cement and plaster, to conduct a general brokerage business and to lay out, plat and manage townsites.

The Artesia Water Power and Light company has been incorporated by John Richey and J. Mack Smith of Artesia, and Abram L. Norfleet of Roswell. The capital stock is placed at \$100,000 and is divided into shares of \$1 each. The objects of the incorporation are to develop, erect, maintain and operate water works, power, telephone, electric light and sewerage systems in the town of Artesia in Eddy county.—New Mexican.

To The People of Roswell.

Friends, I have labored among you now three years and have succeeded in getting a small business started for myself. I want to thank you one and all for the liberal patronage you have given me and will endeavor to keep a good line of new goods on hand that you will not have to hunt them but go to the Artesia Racket store for any kind of article you may want. Will make the price right. Small purchases are appreciated by me as much as large ones are by big stores. You know me, formerly with J. H. Hampton.

W. G. Hamilton and Family Return.

W. G. Hamilton and family, who have been Chicago for about one year, returned yesterday afternoon and will make Roswell their future home and are stopping at the Grand Central. He is a brother of Harry W. Hamilton and is well known here. His many friends will be pleased to learn that he will locate here again. Yesterday, he placed his son, Don, in the N. M. M. I. for the coming session.

Mrs. M. E. Ewald and daughter of Gainsville, Texas are in the city. They came here for the benefit of Miss Ewald's health.

A Beautiful Piano Given Away!

OCTOBER 7, 1903

By Certain Roswell merchants.

A number of the enterprising firms of the city have interested themselves in an arrangement to give away, absolutely FREE, an elegant Piano to some lodge, church, school, club or other organization of the county.

The plan is a novel one and at once commends itself to the public, there being no outlay on the part of anyone other than the people who are doing this to stimulate cash trade and at the same time popularize their place of business and bestow a lasting and valuable gift that will be a permanent advertisement for them.

Briefly stated the plan is this: Each firm who is interested in the contest, is provided with voting tickets, and for each ten cents worth of goods purchased or work done, issues a ticket entitling the holder to one vote. The ticket can be voted for the church, lodge, society or club of the purchaser's preference. A ten cent purchase entitles to one vote, twenty cents to two votes, fifty cents to five votes, one dollar to ten votes, five dollars to fifty votes, and so on. These tickets should be filled out in ink or indelible pencil, the merchant filling in amount of purchase and number of votes, the customer filling in for which church, lodge or other organization the vote is to be cast and name of voter. There must be no erasure or alterations on the tickets. They can only be had from the firms who have secured an interest in the contest and only from them in return for cash purchases of goods. No charge whatever is made for the tickets.

The voting box is at The Pecos Valley Drug Co., where all tickets should be deposited same day as received. On each Wednesday the vote will be counted and the standing of contestants announced in The Weekly Record. A disinterested committee will be elected to count the votes. The contest is now on and will close October 7th, 1903, at noon, at which time the piano will be awarded.

ed to the organization receiving the greatest number of votes cast. Remember it costs nothing whatever to try for this piano, so get in the race and vote for your favorite organization.

The following firms will supply voting tickets free of charge and take pleasure in explaining all about the contest:
